United States District Judge  
United States Courthouse  
101 West Lombard Street

Re: United States v. John Rachel, et. al  
Civil No. WMN-02-0754

Dear Judge Nickerson:

I am writing in response to the defendants' recent request for a further continuance of the trial date based upon Mr. Rachel's health.

While the Government has no objection to a continuance, we believe it would be helpful to get some further information from Mr. Rachel's doctor, preferably in a conference call with the Court. It would be useful to know exactly what Mr. Rachel's current condition is and what the prognosis is for his recovery, so that the Court and counsel can make a more informed decision about

when he would likely be well enough to stand trial.

Respectfully submitted,

Rod J. Rosenstein  
United States Attorney
